

Foundations Counseling Center, Inc.

Facility accessibility policy

Foundations Counseling Center, Inc.'s facilities are in compliance with the guidelines set forth in according to the Americans with Disabilities Act (ADA) and will take reasonable action to ensure that the facilities used by Foundations Counseling Center, Inc, are accessible for persons of all ability levels. Our facility provides access to handicap parking on site, wheelchair and handicap accessible bathrooms and offices, and other measures to facilitate the services received by individuals with disabilities.

Foundations Counseling Center, Inc. will make accommodations for interpreters, aids, and other support workers to assist in services rendered to Foundation's clients at no extra charge to the client. More information regarding support worker aid can be found in our sensory and speech impairment policy.

Foundations Counseling Center, Inc. will provide secure and accessible virtual services for clients who elect to participate in telehealth treatment at no extra cost to the client.

If an individual self-identifies themselves as having a disability and accommodations for them do not currently exist at the facility, Foundations Counseling Center, Inc. will make reasonable efforts to secure those accommodations for its clients.

Foundations Counseling Center, Inc.'s staff will be trained on this policy and this policy will be readily available to staff or clients on site at our facility.

In accordance with Federal and State law, Foundations Counseling Center, Inc. does not discriminate against any person based on ability or disability status and will render services to any person regardless of disability status.
